#openspinner2020

Operative Requirements

- 1) Spinner: we accept every type. If the skater don't have spinner they can use anything to spin on: towels, fabrics, etc.
- 2) Dress Code: the skaters have to dress properly for a competition: dress, makeup and correct hair.
- 3) Results: the results will be post on social media @IcePowerSkatingClub @patinajesobrehieloperu
- 4) Medals: 1st, 2nd and 3rd place will receive a "virtual medal". We encourage skaters to post pictures, banners or flyers on social media with #openspinner2020
- 5) Coaches, parents and public can watch on Facebook Live
<https://www.facebook.com/ICE-POWER-SPORTWEAR-75485015992/>

Judging System: International Judging System

- 1) The minimum number of revolutions required for any spin is three (3) without interruption. If this requirement is not fulfilled, the spin is no count and will have NO VALUE
- 2) The minimum number of revolutions required in a position is two (2) without interruption. If his requirement is not fulfilled, the position is no count and will have NO VALUE
- 3) Variations of positions of the head, arms or free leg are permitted.
- 4) Final Score: Spin Base Value (SOV) + Grade of execution (GOE) We'll use ISU Communication #2323 y #2324.
- 5) If the skater falls, will receive -0.25 point deduction on total score.

OPEN SPINNER 2020 OPERATING REGULATION

Being a friendly competition and to be broadcast live, we remind you that all skaters, parents and officials must act with high ethical standards.

BEFORE COMPETITION

- 1) LOG IN: use complete skater name (NO nickname or short name) so that the judges can identify the skater with his/her name, preferably from a computer to have the best Wi-Fi connection.
- 2) Request all family members to disconnect the Wi-Fi from any electronic device during the skater group (cell phone, computer, etc.) to avoid signal losses during the competition.
- 3) Avoid crossing people or pets within 15 minutes of the competition.
- 4) Place the device at a certain distance from the skater so that the judge can see the entire body during the execution of the spin, or request that another person follow him/her (entry, element, exit).
- 5) Clear the area where the skater will perform to avoid accidents.
- 6) We recommend that the device only have the Zoom application screen open to avoid interruptions during the event. We ask you to close any other program so that the device will be use to its maximum power.
- 7) Skaters will be muted.

DURING COMPETITION

- 1) Skaters will login in 10 minutes prior to your event time and you will be in the waiting room until your event will ready to begin.
- 2) We will then bring all the event skaters into the meeting room for introductions and the "2 minute warm-up".
- 3) After the introductions you will be placed back into the waiting room until your turn to perform. Each skater will be announced to start their spin.
- 4) Due that the competition has no music, we ask the skater to lower his head in signal to start the element
- 5) The skater will execute two attempts of the same spin and the best one between both will be evaluated.
- 6) Once the skaters conclude the presentation, he/she has to leave the zoom meeting.
